

Donations and Gifts to the Lancaster County Library System

Greatly appreciated are the donations that are given to the library by our generous patrons and supporters. Gifts and bequests of all kinds go towards fulfilling our mission of providing materials and resources to meet the changing needs of our growing community. There are several ways to donate to the library....

- Donate your gently used books
- Monetary gifts
- Commemorations of birthdays, weddings, anniversaries, holidays and other special occasions (For each \$25 or more gift, a bookplate will be placed in a new book for our collection.)
- Memorials for loved ones (For each \$25 or more gift, a bookplate will be placed in a new book for our collection.)
- Join one of our Friends groups. The Friends of the Lancaster County Library and the Friends of the Del Webb Library both support the library through fund raising and volunteer support.
- Consider a gift to the library in your will
