Steve Willis, County Manager, gave us the news that the county had passed the \$80,000 necessary to purchase the Wells Fargo Bank in Kershaw. Bids can now proceed to go out for all 3 libraries.

Minutes from the May 28th meeting were approved, with the correction to the spelling of Phyllis' name.

Rita's report included giving us an update on the move. Discussed having a large banner stating that the library (main) is moving to (and the address) temporarily. The County has put in new carpet. We will be occupying 4000 sq. ft; 2500 for patrons. Technology has been alerted that it is a fast time frame.

There were no committee reports.

The Mission and Vision statements were approved. The PR committee is tasked with getting this information out to the public.

In new business, Deborah and Phyllis have been reappointed to the Board.

The next regular meeting will be on July 30th, place to be announced.
