March 10, 2021

I have good news! Next week, all three locations (Barnett Building, Del Webb, and Kershaw) will be open Monday through Friday from 9 a.m. till 5 p.m. Del Webb has reopened. Although we continue to observe COVID preventative guidelines (masks are required, a limit of 35 persons at one time for no more than 45 minutes), try to stop in and see how beautiful it is.

Tentative dates:

Kershaw will close the old building on Fork Hill April 6th, and plans to reopen in the downtown area on May 1st.

Main will close May 1st, to reopen for a June 1st White Street opening.

We had planned to hold receptions for you upon opening, but we are continuing to practice COVID related caution at this time.

Thank you for your patience, and we hope to see you soon!

Yours,  
Rita Vogel
